# Continuous Improvement

- From the student data, what are your school's strengths?
- AFL –
  - Math – Whole Numbers, Geometry, Measurement, and Data Management
  - Reading - Excelled in all areas
  - Writing - All at or above grade level in writing skill
- CAT - Three years - 100% at or above Grade Level (Gr. 3)

# Continuous Improvement

- From the student data what areas would you target for growth?
- What are your school targets?

- Reading/ Writing: Need to focus more on the strategies that are used in Reading (Let the kids know what these strategies are)

- Reader Response – generalized writing. Students write well, but do not know the writing process or how to add their own personal experiences.

- Math : Computation and Estimation, Applied Concepts and Problem Solving

# Continuous Improvement

- What do you plan to do to reach your targets?
- Math Curriculum Implementation
- Prime Training -
  - PD - Math instructional strategies
- Literacy
  - PD - Small groupings for Reading and Math
  - Teach reading in Science, Social Studies, Health
- Technology Fund
  - Smartboards used in most subject areas.
  - Document camera instead of new overhead

# Thank You!

- We appreciate the Parents, Division Administration and Board for helping us work toward our future.
