

NEWS RELEASE

The Northwest School Division is pleased to announce the appointment of Terry Craig as Superintendent of Schools effective August 1, 2011.

Terry, who is currently the Principal of Lakeview Elementary School in the City of Meadow Lake, has been in the education field for sixteen years. Prior to joining the Northwest School Division, Terry spent four years as principal of T.D. Michel Community School in Big River, Saskatchewan. His contributions to education in both the Northwest School Division and the province of Saskatchewan are quite extensive.

Terry has a wealth of knowledge in a Pre-K to 12 educational setting. Terry also has a keen interest in both the delivery of Special Education and in Métis and First Nations education. He has taken a lead role in the promotion and planning of our annual cultural camp and has spent considerable time and effort developing educational relationships and partnerships throughout the Northwest School Division. His efforts were recognized in 2008 when he was selected as Saskatchewan's Distinguished Principal and was named one of Canada's most outstanding Principals.

During his time with the Northwest School Division, Terry has taken a lead role in many organizations at both the provincial and the national level. He has served as Western Vice-President of the Canadian Association of Principals (CAP) and President of Saskatchewan School Based Leaders. Within our school division, Terry has served as the Chair of the Saskatchewan Safe Schools Conference and as President of the Northwest School Division Administrators Group.

His academic training includes:

Bachelor of Arts (Honours), University of Lethbridge
Bachelor of Education, Nipissing University
Master of Educational Administration, University of Saskatchewan

We are very pleased to have Terry join our admin team where we know he will serve with dedication and passion.

Cory Rideout
Superintendent of
Human Resources
