

Pink Shirt Rallies Held in Lashburn

March 3, 2011

Lashburn High School and J.H. Moore Elementary School held their "Pink Shirt Anti-Bullying Day" recently, on Thursday February 17th.

The students at the High School were treated to a presentation from Constable Dempster from the Maidstone RCMP, and the Grade 7 class presented Anti-Bullying Slideshows that they had prepared.

It was great to see the "sea of pink" down the hallways of the schools that day! The students knew what the day entailed and the history behind the event. There was a general excitement heard around J.H. Moore on the days leading up to and on the actual day itself.

Ten local businesses, MMM Diesel, Scorpion Oilfield Services, C & L Services, Lashburn Hotel, Garon Coach Lines, Southern Spur, AJ Offspring, Beaton Agencies, Credit Union, and Peddler Consignment Sales, donated money to ensure that every student who wanted a shirt within Lashburn was able to get a shirt to wear for the day. The shirts were printed at Focused Screen Printing in Lloydminster, Saskatchewan.
