

Maidstone High Quilt Projects Superb

June 17, 2009

Some remarkably fine projects have been completed by the Practical and Applied Arts grade 11 and 12 class of Maidstone High School. The girls chose the colours and patterns themselves and took a year to complete the work. (The photos show only a portion of the completed quilts).

On the theory that a picture is worth a thousand words:

In the first photo the works are by:

1. (Red and black) Jenn Brausse, gr. 12,
2. (Purple and blue) Lisa Wright, gr. 11,
3. (Star pattern) Erika Flegel, gr. 12.

In the second photo the works are by

4. (Blue and green) Jillian Jamieson, gr. 11
5. (Blue and brown) Mel Brausse, gr. 12
6. (Blue, yellow and pink) Taylor Doepker, gr. 11
