Student Drop Off/Pick Up

When dropping off and picking up your child(ren) before and after school, please park in front of the chain link fence and across the street from the fence.

Safety is becoming a concern with the amount of people crossing the road and parents parking behind the buses. We can not see students when they run between the buses.

Parents also need to be aware of all the students riding bikes.

Thank you for your understanding!

Wellness Greeting

Wow! I can't believe this is my final Wellness letter for the 20/21 year!

What a year it has been! 😊

One thing I know for sure, is that we can do hard things. The students and staff showed up every day and challenged any adversity that came their way.

It wasn't always easy, but through it all, we have learned what we are made of, and what we can accomplish when having hurdles to surmount.

Resilience is an amazing thing!

There are smiles, laughter and kindness being shown and above all the students have shown they are "BRAVE"

BRAVE:

"Doing something with your whole heart when you don't know the outcome"

Next September will be a new year with new possibilities!

I am looking forward to getting in the classroom and talking to students about a wide range of topics, from Resiliency, Emotional Control, Growth Mindset, Mental Health, Healthy Relationships etc.

Parents, thank you for trusting us with your little ones; whether they are in Kindergarten or Grade 12, our goal is to help them be the best version of themselves they can be.

Looking forward to 2021/22 school year.
