Fish in Schools Program - Mrs. Moriarty

Our fish have hatched! The Grade 3 Class are the proud farmers of 97 beautiful little rainbow trout. We received our eggs on Monday, February 6th, and we received a run down on what we needed to do to be fish farmers. Within a week they hatched and were starting to move around. Prior to the break, they were released into their tank, and soon, they were zooming around more and more. Soon we will be able to feed them to help them grow as big as they can, before we release them into Picnic Lake in June.

Special thanks to the TurtleRiver Wildlife Federation for sponsoring this program for our students. Special thanks to O'Neil Baillargeon for helping troubleshoot and fix some mechanical problems we have had. Special thanks to Jeremy Moriarty for setting up our fish tank, and filter system. Our community is so lucky to have such wonderful volunteers. If you see a Grade 3 student in the community, they would be happy to share with you all they know about our sweet little fish.

HHS Drama News – Mrs. Moriarty

Drama practice is in full swing, and we have close to 30 students involved in drama this term from Grade 6-12.

Our Grade 6 class has been practicing their play about a lemonade turf war consisting of two families battling it out for supremacy! Our Festival students in Grade 7-12 have been practicing their play all about Cousin Amy's diner and all the plethora of characters who frequent the establishment. Let's just say that good help is hard to find!

We are performing at Regional #8 Drama Festival on Thursday April 18th (tentatively), in North Battleford and hoping to have our dessert festival the following week where we will be performing our two plays for our favorite audience - our home audience!

Tickets for dessert theatre will go on sale mid-March with tickets available in the office, and through school cash online.

Yearbook – Mrs. Moriarty

The 2022-23 Yearbook has been published and is in our hands! We have a few remaining copies available for \$30.00 each. If you would like one, please contact the office, or purchase through School Cash Online.

As always, the yearbook is an incredible time capsule your family will visit again and again to remember academic, athletic and social milestones.

Please consider supporting the yearbook by purchasing your own copy. This book will be a keepsake, showcasing the talents of our students, school and of our community.

If you have any pictures of your child from school events, please forward them to Mrs. Moriarty so that we can include them in our next yearbook. Thank you in advance for your help.
