## Principal & Vice-Principal's Message

As we find ourselves welcoming the month of June, it's hard to believe that we have reached the final month of this school year. Mrs. Pockrant and I would like to take this opportunity to express our heartfelt gratitude to a number of individuals who have made this journey possible.

First and foremost, we want to express our deepest gratitude to our remarkable **students**. Over the course of the year, they have consistently demonstrated unwavering commitment and resilience, not only in their academic endeavors but also in their social engagements. Our students have truly been amazing, and they deserve a well-deserved pat on the back for their remarkable ability to adjust. Lakeview students, you absolutely rock!

We would also like to express our deep appreciation to the **parents** who entrusted us with the education and well-being of their children. Your unwavering trust and belief in our abilities have been a source of strength for us each day.

To our remarkable **staff**, we cannot thank you enough. Your unwavering commitment to ensuring that learning remains engaging and meaningful has made a significant impact on our students' social, emotional, and academic growth. We are incredibly fortunate to be part of such an exceptional team. Mrs. Pockrant and I have witnessed the countless wonderful things you have done on a daily basis, creating a safe and enjoyable learning environment for our students.

Our heartfelt appreciation also goes to our dedicated custodians, **Rick, Jacksie, and their hardworking team**. Throughout the year, they have tirelessly maintained a clean and disinfected learning environment within our school building, ensuring the safety and well-being of everyone.

A special thank you goes out to our **SCC** (School Community Council) members, who have devoted their time and energy to monthly meetings via Teams. Your contributions have made a significant difference in the lives of our staff and students.

# Special Notes & Coming Events...

## Second Step

Our schoolwide theme continues to focus on friendship skills. Although this has been an underlying theme all year, we will continue to implement specific lessons from Second Step to reinforce friendship skills. In our morning announcements we'll remind students to invite others to play, play in fair ways, take responsibility for mistakes by making amends, and how to handle name-calling assertively. These skills help students make and keep friends.

## Michif Language Kindergarten

Kindergarten students in Meadow Lake have the opportunity to register in a Michif Language Kindergarten classroom. The program is open to students in the Meadow Lake area, and will aim to promote, protect, and preserve Michif language.
