FIRE PREVENTION WEEK – October 9-15

This year’s Fire Prevention Week™ theme, “Fire Won’t Wait. Plan your Escape”. Educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires. Today’s homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from smoke alarms and advance planning.

SCHOOL PICTURES

School pictures will take place on Oct 11 @ 1:00. Pre-School children are welcome to come at 1:15

LIBRARY WEEK – October 16-22

Saskatchewan Library Week is a province-wide, annual event that promotes the wonderful resources and services that libraries have to offer. This year’s theme is ‘Libraries Expand Horizons’.

BUS SAFETY WEEK – October 17-21

The theme this year is “1 Bus + 1 Driver = A Big Impact on Education”.

SCHOOL BUS SAFETY AND THE STOP ARM

The single biggest threat to the safety of children who ride school buses is motorists who pass the bus when the children are loading or unloading.

- ♥ Motorists traveling in **BOTH** directions must stop when approaching a stopped school bus with its stop arm out and flashing lights activated.
- ♥ Motorists are required to stop no closer than five meters from the front or the back of the bus until the indicators are deactivated.
- ♥ In addition to the threat of immediate danger to a child, drivers who refuse to stop can be fined.

Always exercise caution when approaching a school bus.
They transport precious cargo!

PLEASE REMEMBER WHEN THE BUSES ARE IN FRONT OF THE SCHOOL LOADING & UNLOADING THERE IS TO BE NO VEHICLES PARKING ACROSS FROM OR DRIVING PAST THE BUSES. THIS IS FOR EVERYONE'S SAFETY!

HALLOWEEN ACTIVITIES

On Monday, October 31, MJS students & staff will be partaking in some fun Halloween activities during school hours. Students can wear their costumes all day or get dressed in them at lunch time.
