Principal's Message
May 2010

Hello Everybody:

April, the cruellest month, is now behind us and so is the snow – hopefully. As we look forward to May and warm weather, we are going to be participating in a lot of outdoor activities. Preparations for track and field events, a children's festival and the ICAN games (just to name a few) have already begun and we encourage all parents to join us for these activities. Let us know if you have some free time and want to give us a hand.

Badminton has wrapped up and we had a very successful season. We hosted a tournament against Rapid View and travelled to other schools as well. Thanks to all the parents who helped us out and to Mr. Quintal for his contributions. I would also like to say thanks to the parents and staff who came out to our final Family Night. It was a lot of fun, but next year I don't think I'm going to run in a relay race after eating two double burgers and a couple of hot dogs.

Thanks to the senior's for feeding DCS and Rapid View lunch on April 21st. Those soup and sandwich lunches are awesome.

Lastly, as the calendar for May and June fills up, I would like to remind everyone that the DCS drama performance is coming up soon. The kids, along with Ms. Esau and Ms. Carr, have been chipping away steadily and will put on a fabulous show, so mark May 20th on your calendar and come out to show your support.

That's all for now - take care

Mr. Mac Cormack

Thank you to the Multicultural Council of Saskatchewan for their grant of \$200.00. These funds were used to help pay for the performance by Simon Moccasin on April 21st.

Students enjoyed listening to his stories about his culture. He was a fantastic storyteller and actor.

Smoky The Bear will visit Dorintosh School on May 13th at 9:30 a.m. Grades 1-4

Children's Festival on May 21st in Meadow Lake. Lakeview School is the host of the Awasisak Children's Festival. Grades 1-4 will be attending.

Drama practices are in full swing. The production this year is called "The Ever After". The performance will be held on May 20th.

Summer Recycling Program.

This year thanks to the MLPP we

have some new recycling boxes to replace the well used ones located at the lakes. In June we will once again be asking for volunteers for the project. All funds are used to support travel, presentations, snack program, awards and extra-curricular activities.

Swimming Lessons have wrapped up for another year. Thank you to the parent volunteers—Holly Osborne, Linda Warkentin, Murray Klassen, Alicia McWatters, Care Tourand, Bluesette Campbell, Clemence Carter, Sharon McCoy and Natasha Thomson.

June 1st—I Can Track Meet for Special Needs Children. The event begins at 10:00 with the grand entry. We are in need of kitchen volunteers as well as volunteers for other activities. If you can help us out please call Sandra/Pam Esau at 236-3313.

June 15th– Grade 5-8 will be going to "Between the Rivers" for an Outdoor Ed. Trip. Students will canoe down the river. If any parents are interested in going along, please let the school know by the end of May.
