

Remote Learning Student Registration

Remote Online Learning is available to K-12 students for the 2020-2021 school year.

To register your child, they must be:

- Registered at a Northwest School Division school
- Registered for grade Kindergarten to grade 12

Please note:

- Students, particularly in grades 10-12, are strongly discouraged from transferring from online to in-person delivery mid year.
- Grade 10-12 students enrolled in online learning will have limited course selections, with an emphasis on meeting core graduation requirements.
- French Immersion will not be offered through online learning.
