June 23rd, 2026

Dear Meadow Lake Urban Families,

The Northwest School Division is making changes to in-town busing in Meadow Lake for the 2026–2027 school year. These changes are being made to support safer, more efficient transportation services for students and families.

We understand that changes to bus service can affect family routines and may require additional planning. We want to share this information in advance, so families have time to prepare. The updated transportation plan is intended to better align Meadow Lake urban busing with Ministry funding, Ministry best practices, Northwest school attendance boundaries, and the continued safety and conduct expectations for students riding school buses.

The following changes will be in place for the upcoming school year:

- Pre-Kindergarten busing on separate routes will be discontinued.
- Students will be assigned to routes based on school attendance boundaries; exceptions will not be made for transportation out of attendance area including for childcare.
- Walking distance boundaries will be increased for all schools and grades.
- New bus stop locations.

Eligibility and route information will be provided to families in July 2026, before the start of the school year. This will be based on the street address you currently have registered with your child's school. Below are walking maps for each school attendance area. Please use this as a guide to assist your family in planning before letters are sent to you next month,

If you have any questions or concerns, please contact the transportation office by phone 306-845-2150 or by email transportation.department@nwsd.ca. The transportation office is open throughout the summer.

Thank you for your understanding and cooperation as we work through these changes. We appreciate the important role families play in supporting safe and reliable student transportation.

Gini Calvert
Transportation Supervisor
Northwest School Division

The logo for Northwest School Division #203 features a stylized blue graduation cap on the left. A grey swoosh line starts from the cap, curves around the word "Northwest" which is written in a large, blue, cursive font, and ends with a small blue arrowhead pointing right. Below "Northwest" is the text "SCHOOL DIVISION #203" in a smaller, blue, sans-serif font.
