

Children First Childcare Centre

NEW: We are accepting children from the general public. You don't have to be going to school to have your child in daycare.

Children First Childcare Centre

The daycare follows the academic school year; thus, we are open when the school is open and closed when the school is closed.

Children First Childcare Centre

This is a licensed daycare located in Carpenter High School. Our hours of operation are Monday to Friday, 8:00-4:30

We have limited space. We are licensed for 6 infants and 5 toddlers.

We employ qualified people trained in Early Childhood Education.

We use the Play and Exploration model in the Centre.

To guard against COVID-19 we will be following the rules and procedures outlined by Sask. Health and the Chief Medical expert.

Do you need Childcare in September 2021-22?

The Children First Childcare Centre is accepting applications for childcare spaces for the 2021-2022 school year.

Contact: Melanie or Darlene at 306-236-5236 and ask for the daycare.
