

Gateway SCC Feb. 10, 2021

In Attendance: Greg Ackerman, Angela Ellis, Tracey McAmmond, Andrew Spencer, Lisa Timmer

Meeting called to order at 7:08 pm.

1. Day of Pink – Scheduled for February 24th, 2021. It is no longer sponsored by the Canadian Red Cross. We organized a shirt order through The Shoppe here in Meadow Lake. Anti-Bullying activities will be planned for the day.
2. I Love to Read Month – Taking place during the entire month of February. Its been fun to plan an event during times of COVID. Several contests are being held such as Book Series Madness, Name That Book, Book in a Jar, etc. Calendar was sent home with students.
3. COVID Update – We recently had a second case identified at our school. Its been a smooth process of relaying information between the school, division , and health authority. We continue to enforce protocol and teachers are planning materials as appropriate if their classes are affected.
4. Upstairs Spaces – The first room has been turned into a therapy room. It had been previously renovated, so not much work had to be done for the conversion. The second room is being turned into a Science Lab. The third room is being turned into a basic Industrial Arts Lab. These spaces are much needed and will be a great use of available space in the school.
5. Classroom 51 (8B) – This room is being renovated due to water damage and room issues. 6B class has been moved temporarily into another classroom until the repairs and renos are completed.
6. Outdoor Space Renovations – There are plans in place to renovate the school parking lot to make it more efficient and safer. The two parking lots will be combined, and the main entrance will be moved to the west side. There are also plans for the front of the school to beautify the area where the trees were taken down.
7. Financial Update – Currently have \$5, 884. The sale of the 7 treadmills will go to the SCC.
8. Meeting adjourned at 7:50 pm. Next meeting is set for Tuesday March 9th. Motion to Adjourn: Andrew Spencer, Second: Tracey McAmmond
