Administration's Address

April 2018

On behalf of the entire GCS staff family, the Admin Team would like to extend our warmest greetings to the entire GCS family and community! We were hoping for an early spring but winter keeps hanging on!

Before the break, grade K-9 received report cards. Next week, April 18-19th we are hosting Student-Parent-Teacher Conferences from 4-6:30 pm. We are aware that many families and parents are busy and have many pressing issues in their lives. We would, however, like to invite any and all of our parents/guardians to be encouraged to contact the school or staff members any/and every time that you have questions or concerns about your child(ren)'s education. We aim to maintain open channels of communication as often as possible, and we appreciate

any support that parents and guardians can give us.

Another thing we'd like to address is the remaining school year. We have approximately 3 months of class time remaining and we'd like to encourage all of our students to continue to work hard and strive for their best, even as spring and summer fever begin to set in. There is still a great deal of precious instructional time left and we want all of our students to capitalize on this remaining time.

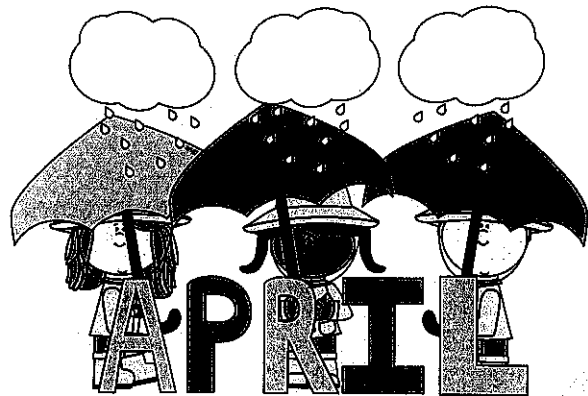

GCS staff would like to wish Ms. Siklenka a joyous maternity leave as she is leaving at the end of April. To take her place, Mr. Goota will be joining us until June. For the 2018-2019 school year, we want to welcome Mr. Edmondson who will be our Sr. English teacher.

Lastly, thank you to the local businesses and community members for purchasing a Grad 2018 Community Calendar. This year was our first year and we had some growing pains, however, we appreciate your patience and commitment.

We would also like to give a special thanks to the Innovation Credit Union for guaranteeing the 50/50 draw with a total of \$250 dollars!

All of these donations helped us raise a total of \$1500 dollars! All of which will go towards the pur-

chase of our new sound system and projector screen.

Some great things are on the horizon in this department as we were able to go ahead and order this equipment!

We could not have made this order without the help of everyone involved. So please give yourselves a pat on the back as this did not come easily and without a fight.

Kindergarten News

Classes Resume on Tuesday April 10th for Kindergarten.

Kindergarten Days for April: 10, 12, 16, 18, 20, 24, 26, 30.

Library Days for April: 10, 18, 26.

As the snow melts and the weather warms up, it might get too hot for winter boots and snow pants. Please remember to send

your child to school in splash pants and rubber boots as they get pretty wet at recess, and it is not fun to sit in wet clothes all day.

SCC News

A quick note from our local SCC.

Easter has come and gone, as did our annual Ham and Turkey Bingo. It was a huge success bringing in a whopping \$1500 dollars. Thus allowing us to make our official order of the sound system and projector screen. Our gymnasium will have never sounded or looked so good! We still have some work to do on the financial front.

Most of you already know that we are currently selling tickets for an upcoming Rush Lacrosse Game along with a Hotel Stay. This is a great raffle as we have so many fans locally!

If you haven't had a chance

to purchase one yet please reach out to any of our SCC members, or by stopping in at any one of the following businesses that have so graciously agreed to sell tickets for us:

Wally's Tire Shop
Chernesky's Hardware
Kuhmart Grocery Store
Discovery Co-op Glaslyn
Pantry

Also, be sure to tune in to our planned live feed Facebook event. After Agri Team donated the Rush tickets, we thought it would make the perfect place to host the draw. The live feed of this event can be found on the GCS face book page.

Take some time to mark down Saturday April 21st in your calendars. This is the date of our Co-Ed Volleyball Tournament!

The rules that apply are:

~6 players on the court at all times with a 4:2 ratio (meaning 4 male:2 female or 4 female:2 male ratio)

~Team registration is \$10/player

~There will be no prize pay out as this is a fundraising event.

So please, we urge you to get your teams in now so we can secure your place! There will be a maximum number of teams. Don't miss out!

Music Festival

Congratulations to our GCS students who participated in the 27th Annual Spiritwood & District Music Festival. Shelby Booy, Aiden Cadrain, Mason Cadrain, Langston Davies, Raleigh Davies, Corvan Stewart, Shae Stewart, River Thompson and Jasmin Wood represented our school and community with

fantastic solo performances that garnered many first and second place finishes. Many of these students were also asked to return to the Gala Awards Evening to perform and receive scholarships. We also had a group of fine singers from our school participate in the choral portion of the festival this year. This GCS choir performed excep-

tionally well and received a first place in their class. Thank you to Raleigh Davies, Aaleyah Durocher, Meaghan Evans, Natalia Gagne, Abbie Halliwell, Miikka Halliwell, Deborah Kim, Linnea Murphy, Trinity Ouellette and Olivia Thomas for their hard work and dedication over the past few months.

"Think Spring"

Library News

The end of March always means voting day for the Willow Awards. We had a record number of voters this year and now they're anxiously awaiting the announcement of the winners in early May. Call it a reward or call it bribery, but each of the more than 50 voters received a cupcake for participating, thanks to my mom, Helen Pylypow, and my neighbor, Crystal Sacrey.

If you're not familiar with

the Willow Awards, these are Saskatchewan book awards which are voted on solely by Saskatchewan students. Ten books are nominated in each of three age categories and students are required to read a specific number per age group (or be read to) to be eligible to vote. We will gather all of our GCS voters together for a lunch sometime in May to reveal the winning books.

Spring has sprung in the

library and since April is National Poetry Month, there are poetry stations set up for students to write poems and enter a contest to win posters, Frisbees, or a DQ gift card. Poems must be turned in before April 30th. Watch our GCS website and Facebook page to see some of the entries.

Cookie Dough Fundraiser

The Grade 11's did a Cookie Dough Sale as a fundraiser to make money for a field trip that they will be taking this year. They were thrilled with the sup-

port that they received from the friends and family throughout the community. We do have some extra tubs of a variety of flavours available and if you are in-

terested please contact Miss Jorgenson at the school for information at (306)342-2114.
