“Honouring CREED and School”

Assembly Friday, April 26th

Live honorably in teachings and in your actions towards all things. Do not waste and be mindful of the balance of all living things. Share and give away what you do not need. Treat others the way you would like to be treated.

We demonstrate respect by realizing the value of all people and things, and by showing courteous consideration and appreciation. We must give respect if we wish to be respected. We honor the traditional roles that we fill and the teaching we have been given. We honor our families and others, as well as ourselves. We are not to bring harm to anyone or anything. Respect is not just an action, but a heart grown feeling.

Respect is the gift from the Buffalo. In all life, respect is first and foremost. Respect oneself and respect will be bestowed.
