

SWIMMING LESSONS

If you have a current swimming report card, please send it to the school by December 6. If your child has never taken swimming lessons, they will be evaluated on the first day and placed into the appropriate level. Students will need to bring an appropriate swimming suit and a towel. If you choose not to put your child in, they will be supervised at the school while doing their school work. Please fill out the following form and return it to the school with your money by December 6. This item is also available to pay on SchoolCash Online.
