

A grid map with numbered cells. The grid is approximately 10 columns wide and 10 rows high. The cells are numbered from 01 to 36. A large, irregularly shaped region is highlighted in green, covering cells 01 through 25. The text '51-27-W3' is overlaid in purple on the green region. Another smaller green region is visible at the bottom of the grid, covering cells 19 through 24. The text '50-27-W3' is overlaid in purple on this second green region. The grid lines are thin and light green, while the highlighted regions are a darker green. The numbers are in a simple black font.
