Dear Parents and Guardians,

Our school division is working to build a better process of self-declaration for all students. You can choose to declare your children as First Nations, Métis or Inuit. We are asking for your support for this initiative. Please review, fill out and return the attached form to your child's school.

The data collected will be used by the Ministry of Education and our school division to help improve student achievement. It will be securely stored in strict confidence and only a limited number of Ministry and division staff members will have access to it.

Proof of documentation isn't required for declaration, but students under 19 do need parental consent. Please see the attached form and contact us with any questions. Declaration is a voluntary and confidential process and parents or guardians can revoke declaration at any point with a signed letter.

Thank you,

Duane Hauk Director of Education
