

SCC Minutes for June 15, 2016
Ernie Studer School

In Attendance: Marielle Schafer, Alexis Loehndorf, Kim Arnott, Brad Freyman,
Absent: Karen Balazs

1. Financial Report: Current balance: \$ 10,162.52

2. Minutes Last Meeting: No questions.

3. Mrs. Lindstrom's proposed for SCC to contribute \$ 200.00 to every student that is interested to experience Encounters with Canada. We decided that if a student has trouble getting the amount to go together, the student can apply directly to SCC with a motivation why this student should go and we will take the application in consideration. Marielle will set up letter to reply back to Mrs. Lindstrom.

4. Brad will hand Caitlin a key with instructions before her start date. Karen will help her with story hour and carnival as decided in previous meeting. Alexis will be around most of July for any problems. Kim as well. Brad figures he will be gone a lot. Marielle will be around the first week of July and after August 7, 2016. We think Karen is around most of the time as well.

Brad will get 8 sets of \$ 20.00 Indigo gift cards ready for weekly draws. Marielle will get other gift cards the end of August.

Brad will set papers ready for payroll at the end of July. Kim or Alexis will look after that for July.

5. Karen is looking into that this week in Lloydminster. Karen and Marielle will look after getting the candy ready for parade. Tass is in the SRC room. We are thinking Braeden, Trey and/or Romy as Tass.

6. Date next meeting Wednesday September 7, 2016 at noon.

7. School supplies list: Brad asked if people can adjust this list themselves. Yes very flexible. Kim will finish this off with back to school solutions soon. We would like date as late as possible.

8. Karen is selling freezies today and next week to fundraise for playground and to get awareness among kids and parents. We will promote playground tonight at band's year end concert as well. SCC approved on this at Playground meeting on June 8th, 2016.

Thank you to everybody's support, help and efforts this 2015-2016 school year. Happy summer to everybody!
