### **EXTRA:**

Kim: Do we still want to do Back-To-School-solutions?

1. They will look into lower prizes.
2. SCC will not take the commission so prizes can be lowered more.
3. Ordering time is being extended to farther into the summer.
4. Shipping per family will be combined to lower the cost.

We decided to keep this service in the school. Kim and Alexis will look into the school supply lists. Kim will contact Back-To-School Solutions.
