Al talked to Tracey Bennett and it looks like the track for the stage curtain would be about \$500-600. Is that something we would like to purchase? Tabled for next meeting.

The AED machine has arrived today; the First Aid Kit will be picked up tomorrow. An announcement will be made shortly. Stacey put forward that maybe people should be made aware there is a shortage of first responders in our area. Stacey would also like to do up a letter to Duane regarding First Aid Certification updates for the staff of Green Acre School.

Stacey agrees to purchase the 20 L juice jug for the school. (carried Nov. minutes)

The Before and After School quarterly report has been sent to the Division. Nicole Albers will be taking time off for calving season. We will need to have more people or person to fill in for her. She will be taking off the end of February through March.

Scholarships and submission forms: We are getting more in. We still have 7 outstanding scholarships totalling \$685.00

SCC Networking:

Stacey was approached to see if we would like to meet with Dorintosh SCC for some networking. We would like more information. Date and time. What it is they would like to discuss.

Fundraisers/School Fees:

Mrs. Friesen did up an outline of what our school has spent on extra curricular activities in the past. She estimated that they spend an average of \$100 per student in a school year. Parents pay \$50 right now and fundraising has covered the rest. Our goal is to do one fundraiser next year. (The Co-op gift cards) We would like to send out a survey to parents to get their input.

Principal's Report:

Al provided a report on past and coming events. Some of the things ahead of us: floor hokey tournament, hot lunches, oratory and potluck.

The school has new phones with an intercom.

The roof is being repaired.

Boat safety classes will be offered for \$31.50 per person.

We have put in an application for another workshop and performance by Saskatchewan Express.

New Business:

Lakeview SCC would like to see if there is any interest in a blanket exercise. Stacey will forward information to SCC members to see if there is interest.

Looking at ways to make our library a more comfortable space. We would like to purchase new furniture. We would like to be sure that they will meet the requirements set up by the Division regarding furniture.

Bobbi moves we purchase furniture for the library up to the amount of \$2,000. Stacey seconded the motion. **Carried**

Stacey moves that we purchase some blank cards and 5 \$10.00 Tim Horton's gift cards to keep on hand at the school for special occasion gifts. Seconded by Mary. (Mary will pick up) **Carried**

We would like to keep our information current on 5 year projected enrollment. Bobbi will start with updating and we will look into it next meeting.
