**Business Arising from Last Meeting**

- **Faith Graham and Aaron Oakes Introductions** – Faith Graham was introduced. She is the Northwest School Division Board Representative from our area. Aaron Oakes was unable to attend.
- **SCC Skate Night Update** – After the Skate afternoon and only having three SCC members able to attend as well as not many community members it was discussed that the SCC may go back to having the welcome back BBQ and just help out with the skate afternoon with the schools.
- **Playground Plan Progress** – The account is now up to \$35,000 funds raised!!! A few grants have been applied for and we are just in the waiting stages. The idea of a drive in movie night might be a possibility in May/June for a fundraiser. Susan will look into this.

**New Business**

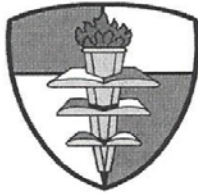

- **Hat Rule at LHS** - Dave is wondering if we can allow the kids at LHS to wear hats during school. He feels there is a lot of time wasted trying to implement this rule. Is it that important to keep this rule? A discussion was had and it was decided to allow students to wear their hats at school.
