**New Business:**

1. Safe Food Handling Course for Parents/Staff

Janelle looked into options for Safe Food Handling courses and found Safe Check Advanced Food Safety to be the best option at \$24.98 per person. Dave moved to donate \$125 to each school, to cover the cost of 5 parents/teachers/volunteers to be certified and have the cost of their course reimbursed.

2. Christmas Skate Day, or New Year Activity?

Discussion on trying to keep the skate day before christmas, Mary will follow up with the rink regarding ice time booking (hopefully Dec 22). As long as we can book the ice time, we discussed simplifying the snack as hot chocolate and cookies were enough last year.

3. Telemiracle Planning

The Schools have decided to plan their own Telemiracle fundraisers after having a combined one last year. JH Moore will go ahead with their movie night on a date to be determined. Lashburn High School will continue with their hockey game and auction Feb 6, 2024 @ 6:30pm.

## **Business Arising from Previous Meeting**

1. Fall Feast and Spring Dinner

Fall Feast was a success and payment vouchers are signed for both meals.

2. SCC Budget Review

The only expense withdrawn so far has been for JH Moore Fall Fair, so there remains \$3,139.22
