Business Arising from Previous Meeting

1. Safe Food Handling Course for Parents/Staff

5 parents have signed up for the course through JH Moore. Each school will provide the reimbursement for the course when completed.

2. Christmas Skate Day Dec 2023, hot chocolate and cookies.

THANK YOU to the CN Sportsplex for donating the ice time for us to put on this event. Another fun year of skating, hot chocolate and cookies. Feedback received on checking in with any dietary/allergy concerns so we have an inclusive treat or option for everyone. We will make sure to be aware of this for the next event. There is also interest from LHS to participate, we will accommodate/combine ice time with them for next year.

Mary moved and Dave seconded to purchase 3 Skating Aids to donate to the rink for future use of anyone learning to skate.

3. Telemiracle Planning SCC Volunteers/participation for both school events.

LHS Telemiracle hockey game will be held Wednesday February 7. Volunteers welcome. Mary moved and Jayme seconded to purchase a mini stick to donate on behalf of the SCC for the Loonie Stick fundraiser.
