Principal & Vice-Principal's Message

Grade 4 OurSCHOOL Survey Goals

We asked if the students felt important concepts are taught well and class time is used effectively.

They said 8.9 out of 10 girls and 9 out of 10 boys felt they had a clear understanding of concepts taught and class time is used effectively.

We pledge to continue to provide clear and concise instruction and ensure class time is used wisely and effectively.

We asked if students found classroom instruction relevant to their everyday lives.

They said 8.8 out of 10 girls and 9.2 out of 10 boys felt daily instruction was relevant to their everyday lives.

We pledge to continue to make connections between skills taught and everyday life for our students.

Attendance Matters

Many people tend to grow concerned only about students who miss consecutive days of school, but occasional absences can be just as disruptive. Just two to three days a month can add up to nearly 10% of the school year - that's a whole month of instruction! Please help us by sending your child to school on a regular basis!

Congratulations to our February Attendance Winners:

Nadalia Gjolena, Tatiana Sinclair, Zabya Cubbon, Mackenzie Gorst, Leila Longchamps, Justus Sartison, Jack Tupper, Savanna Epp, Grace Munroe, Brooklyn Cross, Ayva Gauthier, Leon MacCuish, Camilla Peters, Kacy Turberfield, Ava Mirasty, Xander Archibald, Layne Coverchuk, Preston Hounsell, Kyxton Moore, Claire Beaulac, Abigail Conrad, Brett Ackerman, Isaac Chow, Juan Felix, Connor Gutek, Dayton Cushon, Grace Zacharias and Pearl Soria.

ATTEND TODAY
ACHIEVE TOMORROW

All students will enjoy a **SWIMMING PARTY** on **Wednesday, March 20th from 2:00-3:00**. Again, **thanks** to our **SCC** for supporting this initiative!

Meadow Lake Winter Festival

Lakeview Elementary School will be participating in the Meadow Lake Winter Festival's Ice Sculpture Contest on **Friday, March 8th**.

We are asking students to bring an **ice sculpture from home and then the students will create several ice sculptures** at the front of our building.

If you would like to participate, here are some ideas:

Freeze water in any type of container-large pails, ice cream pails, bags, cake pans, muffin tins, balloons, milk cartons, rubber gloves, etc. **Be creative and have fun!!**

Color the water with food coloring.

Decorate your blocks of ice by putting flowers, leaves, etc. in before you freeze the water-just make sure the decorations are bio-degradable.

Oil any metal pans so that the ice blocks will slip out easily.

On **Friday, March 8th** take your blocks of ice out of any and all containers and then bring them to school in the morning. Place at the front of the school.

Reading TIPS for Parents of First Graders

Give your child lots of opportunities to read aloud. Inspire your young reader to practice everyday! The tips below can help your child become a happy and confident reader.

- **Don't leave home without it!** Bring along a book any time your child has to wait, such as at a doctor's office. Always try to fit in reading.
- **Once is not enough.** Encourage your child to reread favorite books and poems. Rereading helps kids read more quickly and accurately.
- **Dig deeper into the story.** Ask your child about the story you've just read. Say something like, "Let's have a story conversation. What happened in the beginning, middle and end of the story? Who are the characters? Where does the story take place (setting)?"
- **Take control of the TV.** It's difficult for reading to compete with TV and video games. Encourage reading as a free-time activity.
- **Be patient.** When your child is trying to figure out an unknown word, give him/her time to do so. Remind your child to use the picture, look at the first letter or letters, or read on to try to figure out the unknown word.
- **Pick books that are at the right level.** Help your child pick books that are not too difficult. The aim is to give your child lots of successful reading experiences.
- **Play word games.** Have your child sound out words as you change it from *mat* to *sat*; *sat* to *sag* to *sap*; and from *sap* to *sip*.
- **I read to you, you read to me.** Take turns reading aloud at bedtime. Kids enjoy this special time with parents.
- **Gently correct your young reader.** When your child makes a mistake, gently point out the letters he or she overlooked or read incorrectly.
- **Talk, talk, talk and write, write, write.** Talk and write with your child on a daily basis. Add interesting vocabulary words into your conversations. When writing, encourage your child to use the letters and sound patterns he/she is learning at school.
