Principal & Vice-Principal's Message

Kindergarten Grad Ceremony

Once again this year our kindergarten students will celebrate the completion of their school year by attending a Kindergarten Grad Ceremony! This year our ceremony will take place at **Carpenter High School on Wednesday, May 22nd at 1:15 p.m.**

May Café

LES will be hosting our fifth annual May Café at **Carpenter High School on Wednesday, May 29th at 6:30 p.m.** A letter was sent home to those students who were interested in showcasing a talent. In order to prepare for their performances, students are asked to practice what they want to showcase with their parents. We will also provide extra practice time at lunch and after school as needed. Please join us for a fun-filled evening of great entertainment! You don't want to miss out!!

Attendance Matters

When students improve their attendance rates, they improve their academic prospects and chances for graduating. Kids who are able to improve their attendance, show improvement in self-esteem and develop a more positive attitude towards school and learning.

Congratulations to our April Attendance Winners:

Skylynn Gobert, Shayne Richardson, Noah Ducharme, Lucas Beyea, Chelsea Loranger, Iyla Sinclair, Breanne Rogness, Jermayne Okemow, Savannah McWatters, Ebany McCallum, Abby Laliberte, Kai Genereaux, Danika Sergeew, Evan Russell, Mavric Richardson, Tyshawn Bouvier-Chief, Melody Catarat, Denzara Crawford, Cohen Follett, Adrianna Hauser, Zoe Roger, Kyrin Aubichon, Lincoln Bannister, Halle Bouvier, Jodee Folstrom, Richlove Marasigan, and Makaila Quong

All students will enjoy a **SUNDAE Party on Friday, May 31st during lunch time.** Again, **thanks** to our **SCC** for supporting this initiative!

Celebrate Screen Free Week - April 29-May 5, 2019

On **April 29 - May 5** children, families, and communities around the world will rediscover the joys of life beyond the screen. Unplug from digital entertainment and spend your free time playing, reading, daydreaming, creating, exploring, and connecting with family and friends. (except for work and school assignments)

Many parents are concerned about the amount of time their children spend with screens. And with good reason! Research shows that screen time gets in the way of activities known to be good for young children, like playing creatively and interacting with caring grownups. And kids who spend less time with screens fall asleep faster, sleep longer, eat healthier, and get more exercise.

TIPS:

- Turn your living room into a place for family interaction and play by arranging the furniture so the TV is not the focus of the room.
- Create a morning routine that doesn't involve screens
- Make meals a time for your family to talk about the day without distraction from TV, smartphones, and other screens
- Provide easy play options, like sensory play—which gives children the chance to explore using their sight, touch, and other senses—to engage kids while you get things done around the house.
- Make memories by planning outdoor activities that the whole family can enjoy together.
- Make activity kits using supplies you already have to keep children busy during transitions (the time between one activity and the next) and other tricky times of the day.
- Take a break from your smartphone and other screens during periods of the day to give your child your uninterrupted attention.
