Welcome To A New School Year!

Welcome, Tansi and Bonjour to all our Lakeview students and parents. The school year has begun, the classrooms are humming with excitement and learning! We are going to have an amazing school year!

Please look on Edsby for our monthly newsletters for school information. You can look for quick updates: @Lakeview_school, Lakeview Facebook page or our website: <http://www.nwsd.ca/school/lakeviewschool>. We also have a cell phone you can text anytime during the school day 306-240-4408.

Welcome Staff

Lakeview School would like to welcome back Miss King (Michif Language Support Teacher) and Mrs. Laliberte (Michif Language Keeper). We would also like to extend a warm Lakeview family welcome to Miss Foreman (Grade 1), Mrs. Zacharias-Kirby (Grade 2), and Mrs. Hoddenbagh (Music).

Edsby Communication Platform

Welcome to our new communication platform! We are excited to share the great things your children are doing in the classroom through their Edsby account. Please make sure to follow the directions in your email sent by the school board to login for the first time. Then enable notifications so that you can stay updated on your child's progress and any messages from their teacher.

Following Their Voices

We are honoured and pleased to announce that again this year Lakeview Elementary is a Following Their Voices school. Our school facilitators are Mrs. Oystrick and Mrs. Bowerman who will be leading us through our journey.

The goal of Following Their Voices is to provide education that is relational and culturally responsive to accelerate the progress and achievement of First Nations, Metis, and Inuit students.

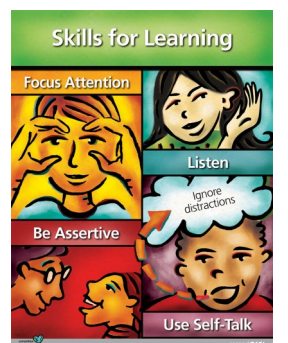

Social Emotional Learning

School isn't just a place to grow academically; it's a place to grow as a person. When children feel safe, supported, and connected to their school, they're better equipped to succeed academically and in life.

Children need social-emotional skills to thrive both in the classroom and in life. Social-emotional learning teaches children techniques to: gain confidence, set goals, make better decisions, collaborate with others in work and play and navigate the world more effectively.

Second Step is implemented in all K-Gr. 4 classrooms. Second Step® Elementary is designed to help kids succeed in school and in life by teaching them skills for learning—such as focusing attention and listening—as well as how to manage their emotions, solve problems, and make friends. These skills can help them in the classroom, on the job, or wherever life takes them.

Information and Events/Activities

Lakeview School Handbook

Our handbook was sent home with each student during the first week of school. Parents and students are encouraged to go through the handbook together as it is very informative.

Parking

No-parking zones are clearly marked on all roads around the school. Please do not park in areas that are marked with yellow paint or in the staff parking lot across from the bus lane, as we do not want students/parents walking where the buses drive. There is no parking across from the front entrance between **8:30 a.m.** and **5:00 p.m.** Please! Please! Please! Do not put your children at risk by having them walk across the street to where you are illegally parked. Inform your children to meet you on one of the side streets by the school.

School Community Council

The School Community Council is made up of nine elected parents/guardians of students who attend Lakeview. The school is represented on the council by the administration and either the Wellness Coordinator or our Activities Coordinator. Elections will be held in the fall for some of the positions on the council. Notification of elections and positions available will be sent home by the current school community council's elected officials on **Oct. 3, 2023**.

Our first meeting will be held on **September 19th, at 7:00 p.m. at Lakeview. All parents are welcome!!**

Fall Fair and Meet the Staff Gathering September 19th from 5:00- 6:30

School Cash

School Cash is an online parent portal that offers a safe, fast and convenient way to pay for school activity fees. The portal is customized to meet your school's needs and allows parents to add students, make payments, check current balance/account history and print or view receipts.

Please register your child for the payment system. School Cash Online also sends out reminders of school functions. Please contact the front office for your child's unique student number to register.

Lunches

Just a reminder to all that we will **only** provide a lunch for your child in an emergency situation. **Parents must phone the school if a child needs lunch**, we will not give a lunch on request from a student. Students are welcome to stay for lunch, but need to bring their own lunch and utensils. Proper lunch behavior is expected at all times. Those who do not exhibit proper lunch etiquette will be directed to eat lunch elsewhere.

Terry Fox School Run

The Terry Fox Run will be held on **September 22nd from 2:30-3:00 pm.** Parents are welcome to come out and join our staff and students as we walk around Lakeview. We are asking students to bring a loonie to school to donate to the Terry Fox Foundation.
