<b>Two teams tied:</b> Score between the two tied teams					
<b>Three or more teams tied:b,d,e,f</b>					
a) Matches won/lost between the tied teams only.					
b) Games won/lost between the tied teams.					
c) Games won/lost amongst the entire pool.					
d) Points for/against tied teams					
e) Points for/against amongst entire pool					
f) Coin toss					
g) Apply the above in sequential order. At no point should you restart the procedure. ie. Teams A, B, C tied. Team C is eliminated by criteria D. Teams A & B move to criteria E for the break.
