

December Newsletter

We are starting a very exciting month full of wishes, dreams and traditions. We will be learning about the traditions, our five senses and family. We will have a , a toy designing and constructing center, wish list center, a Santa's workshop center with a mailbox to receive Santa's Letters. We will also have a new read around the room.

Homework Update:

Thanks to all the parents who have been completing the homework calendars each month. The December calendar is not due until January after the holidays.

Sharing Topics:

Please send a symbol of Christmas the first time they share and their favourite Christmas book the second time they share.

Skating:

The kindergartens will be starting skating in **January**. They need skates and a helmet in order to be on the ice. Please pack them in a backpack or bag that they will be able to carry to the rink independently. They will also need their ski pants and toques and mittens. Please have them dressed when they arrive as we leave right after O Canada. We skate on Thursday or Friday depending on the schedule at 9:10 a.m. We need parents to meet us at the rink in order to help tie skates. We will be starting the first Thursday and Friday in January.

When the school hill has snow, we will get to go on it Day 1, 2,3, & 4. The Kindergartens must be wearing ski pants and have a sled to use (they can share with one friend) to play on it.

Parent Volunteers

Thank-you to the parents that volunteered last month.

Thank-you also to all the parents who were able to attend P-T Interviews. It was great to speak with you about your child's progress.

Please return any envelopes or portfolios you may still have.

Christmas Concert: The KA and KB's will be performing two songs and a poem together **Both KA and KB need to attend on the morning of the December 13th for the performance.** It is not a KB day so please make arrangements to have your child picked up after the morning concert. If this is a problem please let me know. The night of the concert, doors open at 6:30. The kindergartens need to come to our room to line up.

Movie Day: On the last two days of school we will be having a movie day so I ask the students to wear their PJ's that day. We will be curling up and watching the movie and I will be providing the treats.

Merry Christmas to you and your family! Hope everyone has a restful, fun-filled season!

Important Dates:
