

January Newsletter

It is hard to believe it is the holidays already. It has been a very busy month and I'm sure the Kindergartens are looking forward to a well-earned rest.

Calendar:

The theme for January is winter. We will be learning about signs of winter and animals in winter. We will continue working on our alphabet activities, letter and number printing. We are also working on measurement and 3-D objects sphere, cube and cylinder.

Sharing groups:

Please remember to send sharing on your child's day. Our theme for this month is something special from Christmas.

Take Home Reading:

We will be starting our take home reading at the end of this month. There will be more information coming later on. Please return December Homework calendars in the New Year.

Skating

We will start skating in January. Reminder to the parents we need help to tie skates. Please make sure your child has skates, **helmets** WARM mittens, coat and ski pants. Please make sure the skates are in **a bag your child can handle**. Parents wanting to skate need to also wear a helmet.

Hill Days

The K's are welcome to bring their sleds to use on the hill on Days 1-4. They should be name labeled and taken home at the end of each day.

Upcoming Events:

Skating at 9:10 a.m. check for calendar for the days.

January 7: First day back. It is Day 4 so it is an Bday

Parent Volunteers:

It was wonderful having extra help last month when we were making crafts. Thanks to everyone for the help. Please keep volunteering as we really need extra practice with our skills!

Thanks for all the lovely presents and have a great Christmas breaks.
